Hello yesterday

Powered by the air-oil cooled parallel 650 Twin, the Interceptor is a trove of 60s design staples with its 7" headlight, twin clock front and quilted twin seat. The narrow teardrop tank is slapped with a classic badge and topped with a Monza-style fuel cap. A dual cradle frame with a rear loop makes up the core, by way of a nod to the original Interceptor.

📍 79 Crawford St, CBD, Dunedin 9016
